

Der Nussknacker Glühwein

Handcrafted Mediterranean Spiced Wine

A Taste of Christmas Tradition

Inspired by the timeless German fairy tale, Der Nussknacker Glühwein captures the warmth of Christmas evenings - cinnamon, clove, citrus and wine blended into pure comfort.

Each bottle embodies the elegance of European holiday culture and the craftsmanship of fine winemaking.

A warm, inviting living room scene. In the background, a stone fireplace has a bright fire burning. The mantel is decorated with a garland of warm white lights and red candles. A red and white plaid Christmas stocking hangs from the mantel. In the foreground, on a wooden surface, sits a bottle of Red Glühwein with a nutcracker illustration. Next to it is a silver candle holder with two lit candles and a white mug with a snowflake design containing cinnamon sticks. The scene is decorated with pine branches, red and gold ornaments, and more warm white lights.

Red Glühwein – The Classic Spirit

Rich, bold and deeply festive, made from fine red wine infused with natural spices - cinnamon, clove, and orange peel - it captures the true heart of the Christmas season. The perfect companion for winter nights.

Full-bodied and comforting, it brings warmth and tradition to every glass. Best enjoyed warm (65-70°C).

A refined twist on the classic mulled wine.
